

Budget Narrative

Organization Name:	
Project Budget Period: 10/1/2023 – 3/31/2025	
This form should be completed in conjunction with your proposed budget as present on the Budget Summary Form. Include the total Federal Funds and total Match Fund the lines indicated for each category. The Total Funds should automatically calculate the narrative box in each section, please discuss how the items included in you Budget Summary Form within each category will support this project. Details should be included for both the federal and Match funds . All grantees are required to contribution minimum match equal to 20% of the total program budget.	s in . In r
Total Program Budget = Funds Requested + Match.	
The match may be comprised of cash, in-kind contributions, or a combination of both For example, an organization applying for a grant of \$120,000 will be expected to contribute a \$30,000 match, bringing the total program budget to \$150,000. Calculation minimum match as follows: (Funds Requested/.80) - Funds Requested = Minimum M Value. (\$120,000 / .80 - \$120,000 = \$30,000). For expense categories that include Match, please explain how you arrived at the M amount. For example, for personnel expenses reported as match, please include sa wage levels for each staff member and the non-federal funding source(s) that will these costs.	ite atch //atch lary/
A. Revenue	
In the box below, please list the name of specific funders of the Match contribution indicate if they are secured, in process or anticipated. Additional Match details show included within each of the subsequent expense categories.

D. Travel

For Travel expenses, itemize the costs and include who will be incurring these expenses and how they relate to this project. Travel expenses may include staff travel for local project travel, including mileage, parking and related costs, as well as required travel for mandatory conferences, training or the like, if applicable. Mileage used should be the lower of the federal standard mileage rate (currently \$.65/mile) or the mileage rate reimbursed to employees of the organization according to that organization's internal policy. Out of town travel costs (hotel, airfare, meals, transportation, for example) should be reasonable and every effort should be made to procure the lowest rates possible for all travel and lodging related expenses. Only coach or other economy class airfares will be reimbursed.

Describe why the Other Direct Costs included in your Budget Summary Form are necessary for this project. Examples of Other Direct project costs include marketing, printing, volunteer training costs, liability insurance coverage for volunteers, and the in-kind value of volunteer hours. Please itemize each of these costs. If including volunteer hours for match, please explain the source of the valuation of those hours.¹

\$	\$	\$	
Federal	Match	Total	

¹ Applicant may use the Independent Sector's average hourly rate for volunteer hours if no other reasonable method of valuation is available (https://independentsector.org/value-of-volunteer-time).

I. Indirect Costs

If you do not have a federally approved indirect cost rate, you may include up to 10% of Total Direct Costs as Indirect expense. If you have a federally approved indirect cost rate, you may use that rate. A copy of your organization's approved indirect rate proposal must be included as a part of your final budget submission. If you had a federally approved indirect cost rate but it has expired, you may use 10% of Total Direct Costs as Indirect expense. In the Budget Summary Form show the percentage you are using and the basis of the calculation (XX% of Total Direct Expenses or XX% of Personnel Costs, for e.g.) in the "Justification" column. In the box below, include a brief description of the types of expenses that are included in your indirect rate.
