Caregiving Issues

Caregiving Chronicles: Panel Discussion

Writers R. Lynn Barnett, Elaine Scholly, and Gerald Wood discuss their caregiving experiences, what inspired them to write, and how they got their stories published.

Caregiving Raw & Real: What No One Tells You

A panel of Duet family caregivers get real about caregiving. They discuss the challenges, heartaches, frustrations, and the courage needed to carry on.

Confronting Death

Cheryl Hemerson, a hospice professional and end-of-life doula, explains hospice care, what to expect at end of life, and how end-of-life doulas can help ease the transition.

Embracing Memories

Former Fox 10 TV Morning News host, Rick D'Amico, who retired to care for his wife Ruth, shares the impact of Alzheimer's on their lives.

Empowering Caregivers

Author, speaker, and caregiving advocate, Elaine Scholly, introduces the Scholly Stages, a framework equipping caregivers to be aware and prepared for the odyssey ahead.

Finding Placement for Your Loved One

Christina Cave, elder care placement specialist and owner of About Seniors, discusses logistical and emotional aspects of finding a safe place for your loved one.

Finding Your True North

Brandon Baxter, Director of Northern AZ Council of Governments and caregiver for his mother, shares how to find your bearings, plan your route, use your tools, and pace yourself along your caregiving journey.

How to be a Positive Advocate

Nancy Kriseman, a licensed clinical social worker, author, trainer, and consultant, shares ideas and examples for handling sensitive and challenging situations while advocating for a care recipient.

How to Communicate with Memory Loss

Speech-language pathologist and author Susan Kohler shares techniques to enhance your ability to connect with your loved one experiencing memory loss.
